

Cargo Lashing/Securing

Transport Products/Cargo Lashing

Flexible Packing Strap manufactured from Polymer Polyester textile fiber, which is superior to traditional steel strapping and PP strapping. Produced with no sharp edges which will not damage cargo / products, completely rust free and will not rot, extremely safe and easy to use, but which offers high tensioning capabilities available in a range of widths

Cargo Barrier Nets

Prevent Co-Loads in Shipping Container & Trucks. Stops product falling from open truck doors or Containers, Easy to use and install, Re useable, Cost effective.

Security Seals

For trucks, shipping containers, rail wagons, bonded stores, or general application.

We offer several different types of security seals:

- Bolt Seal
- Plastic Strip Seal
- Steel Cable Seal

All of these tamper evident seals are impossible to open without destroying or visibly damaging the seal, therefore preventing theft and/or contamination of goods in transit or storage. Personal/Company seals available minimum Qty required.

Vinyl and Paper Dunnage Bag

Secure A Load dunnage bags provide the most cost-effective solutions ensuring that your freight arrives at its destination damage free.

Dunnage bags are inserted into void spaces inside containers, rail cars or trucks. Once inserted, they are inflated with compressed air to the recommended level. This inflation serves to gently push the load away from itself, wedging it against other pallets or the outside walls of the container. This creates a solid brace, stabilising the load and preventing any future movement, thus greatly reducing the risk of damage during transit.

Available in different sizes.

All Slings manufactured to AS 4497.1-1997. These slings are colour coded with 6:1 safety factor.

Cargo Bars

Cargo bars offer strong support for your cargo. Cargo bars expand to fit tightly against the sides of a container or tuck walks and lock in place without excessive pressure. Moulded rubber feet grip the walls to provide excellent cargo holding ability.

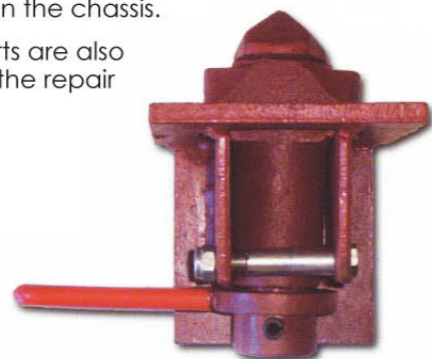

Designed to be used quickly and easily for various applications.

Truck Twistlocks

Secure A Load has available a wide range of truck trailer/chassis twistlocks from the standard left hand handle type, short handle type, long handle, screw down type which inhibits the container from shaking and rattling on the chassis.

Individual parts are also available for the repair of twistlocks.

Grade 70 Transport Chain

Grade 70 transport chain is considered the chain of choice for load binding applications. It is also well suited for tiedowns/lashings and logging applications.

Secure A Load grade 70 chain complies to AS/NZ4344-2001. Every batch is independently tested and test certificates are available upon request.

Grade 70 transport chain is electroplated gold to resist oxidation and is sold either by the metre or drum lot.

Grade 70 Chain must NEVER be use for LIFTING.

Chain Marking	Chain Size	Lashing Capacity	Weight Per metre
4344-4.0	8.0 mm	4000 kg	1.43 kg
4344-6.0	10 mm	6000 kg	2.23 kg
4344-9.0	13 mm	9000 kg	3.37 kg

Load Binders with Winged Grab Hooks

We supply the standard lever type, ratchet type and recoilless type. These are made to comply with AS/NZ4344-2001. Loadbinders are forged and tempered with winged grab hooks which allows for maximum lashing capacity. Winged grab hooks have cradles on both sides of the jaws, thus preventing any deformation to the chain during tensioning and allows full 100% lashing capacity of the chain.

Chain Size	Lashing Capacity
8.0 mm	4000 kg
10.0 mm	6000 kg
13.0 mm	9000 kg

Winged Grab Hook

Hook Size	Lashing Capacity
6mm	2300kg
8mm	4000kg
10mm	9000kg

Slip Hook

Hook Size	Lashing Capacity
6mm	2300kg
8mm	4000kg
10mm	6000kg
13mm	9000kg

Ratchet Tiedowns

Secure A Load ratchet tiedowns have been designed and tested to provide maximum load protection. Secure A Load ratchet tiedowns are produced to AS/NZ4380 standards for Cargo Restraint Systems.

Ratchet Tiedown with Wear Sleeve and Hook

Size	Lashing Capacity
35mm x 9m	1000kg
50mm x 9m	2500kg
75mm x 10m	5000kg

Available in Blue, yellow, Green, Orange, Red. Main Strap or ratchet available separately. Made to size

Ratchet Tiedown with S Hooks

Size	Lashing Capacity
25mm x 5m	750kg

Curtain Side Buckles & Straps

Quick release Buckles
1m Strap with Rave Hook Type
1m Strap Double J Hook

Car Carrying Ratchet Tiedowns

Size	Lashing Capacity
35mm x 2.4m	1500kg
